If you don't think you can speak to an adult in school, you can phone ChildLine who will listen and help you!

Don't keep it to yourself if someone is...

- Being unkind to you
- Touching you on a part of your body that you do not like or is a private body part
- Try to give you things that you wouldn't normally have
- Sending unkind messages on the internet or on your phone
- Hitting or hurting you
- Forcing you to make you change your mind or your opinion
- Making you say things that you do not want to
- Giving you money or gifts if you do something for them
- Making your friends unhappy and you are worried about them
