We the adults responsible for children at home and at school want Shirehampton Primary School to provide a safe, supportive and stimulating learning environment in which each child is treated as an individual and the needs of all are considered.

We will encourage children to work hard, to behave appropriately and to take pride and pleasure in their own and others' achievements.

Our school is committed to the safety and welfare of all its pupils and staff, our behaviour policy clearly outlines the provisions we make for this including staff training on the use of de-escalation and physical intervention techniques. Our behaviour policy is available in school and on our website. Please note that by choosing Shirehampton Primary you are agreeing to the school behaviour policy.

We each have our important part to play. We welcome your support, value your involvement and are pleased to see you in school.
